JUDGES DISAGREE;

HILL STILL IN JAIL

Arkansas Judge Does Not Approve Action of Judge Pollock.

(Star News Service).

KANSAS CITY, Kan., Apr. 29.—Robert Hill who is wanted by Arkansas authorities still languishes in the Shawnee county jail. After the firm stand for justice made by Gov. Henry J. Allen and his refusal to turn the prisoner over to the Arkansas authorities, Hill was re-arrested on a trumped up charge alleging violation of the federal statutes by impersonating a United States officer.

Habeas Corpus proceedings were filed before Judge Pollock the federal court. The case came on for hearing April 9th and the judge rendered a decision ordering Hill back to Arkansas with certain reservations. Judge Pollock directed that the writ should specify that the United States district Marshal in Kansas City, Kan., turn Hill over to the United States marshal of the Eastern District of Arkansas there to be safely kept until a reasonable time shall have elapsed or he shall have been tried in the United States Court of the Eastern District of Arkansas; that if not convicted, Hill shall not be returned to any state authority but shall be returned to Kansas for asylum.

The papers were sent to the United States Attorney for the eastern district of Arkansas for ratification by the federal judge of that district. The report comes to The Star from the very reliable source, that the Federal judge in Arkansas does not approve the decree of Judge Pollock and that Kansas federal judge will not change or modify his order in regard to Hill and as a result of the difference of opinion of the two judges Hill may remain in Kansas, but it will not be against his will.

RACE NOTES

Star-Graphs Gathered from Many Sources Illustrating Race Progress.

The fact that the Rev. D. J. Hull, D. D. of our group served last week as a member of the International Sunday School Convention at St. George's Hotel, New York, is an achievement to be credited to the National Baptist Publishing Board, headed by Dr. R. H. Boyd. It is the result of ten years effort by Dr. Boyd. Dr. Hull assisted as editorial secretary in preparing the lesson leaves for the Evangelical Denominations of the world.

Mr. Pat Cade, well known citizen of Birmingham, Ala., has rendered efficient and faithful service for thirty years in the employ of the Candler Grocery company of that city.

The Colored boys who were given a trial as messenger boys by the Western Union Telegraph company of Savannah, Ga., have made good. J. H. Fisher, a graduate of the Georgia State Industrial School, acts as their superintendent in an efficient manner.

The Colored women of Tacoma, Wash., have a Booklovers' Club whose intellectuality is shown by the fact that at a recent meeting held at the residence of Mrs. E. A. Hamilton, they read and discussed "Gitauli" by Rabindranath Tagore, the Hindoo literature. This indicates that a "move" is up to the Booklover clubs of this part of the country which are still dickered with Charles Dickens, or maybe Paul Lawrence Dunbar.

Dr. C. A. Murray Kane left Kansas City, Mo., for St. Louis called there on business in connection with the state medical meeting which brings together all the doctors, dentists and pharmacists of the State, May 25, 26 and 27. Dr. Kane is secretary of the Missouri Pan-Medical Association, the state organization. He meets in St. Louis with the executive committee and the local committees on arrangement. Dr. Simon I. Carson of Washington who has been for a long time the first assistant surgeon of Freedman Hospital will be the national figure who will come before the Missouri Medics this year.

Aaron A. Malone, president Poro College, St. Louis, Mo., who has been in Cuba during the winter has returned to America, arriving at Jacksonville, Fla., recently where he was guest of Charles H. Anderson,

treasurer National Business Men's League and president of large colored bank of that city.

Church was also present to encourage the movement and give helpful advice. The excellent community spirit manifested in the meeting is to be commended the campaign to raise funds for this year's work will start May 17 and end May 25. This will be the first community uplift drive ever staged by Colored men of Tulsa. It must not fail.

Of Course This Happened in God's Country.

Mosaic Temple For Tulsa.

Prospects are most favorable for the erection of a handsome \$100,000 structure on North Greenwood at corner of Cameron street under the auspices of the local branch and the National Grand Lodge of the Mosaic Order. It has been proposed by the National officers that if the Tulsa lodge furnishes the ground, then the National Grand Lodge will put up a building such as will reflect credit upon the Colored people of Tulsa and the country as well. The local lodge has an option on a lot adjoining the Red Wing Hotel, and it will require \$8,000 to close the deal.

To raise this amount a drive among the people of Tulsa has been inaugurated under the leadership of the following well known Tulsans: the Messrs. H. A. Guess, M. J. Lathou and Rev. Jas. A. Johnson. May 3 and 4 have been set apart as special days for this drive and all Tulsa citizens who believe in making such a splendid project successful are called on to contribute as liberally as possible. The National Grand Master Elliott and the Oklahoma Grand Master W. M. Ezell are lending all their influence and energy to this very laudable enterprise all citizens who have pride in Tulsa and their people will cheerfully contribute to the best of their ability. The local Mosaics are entitled to much commendation for bringing such an opportunity to their home town.

Praise For Dr. Jones.

Dear Editor:

If you have space in your paper please publish this: I am very much pleased to state to my friends as well as the friends of my wife, Mrs. Maggie Beason, that she is almost off the sick list. Although she is not very strong, she is able to do most of her house work. For about ten weeks my wife was in bed unable to do anything. She didn't seem to improve until I had Dr. Wesley Jones of this city examine and treat her.

I am very grateful to that Christian man as well as good physician. J. B. Beason,

SHALL THE DEAD BE RESURRECTED AND LIVE AGAIN

(Continued from Page 4).

friends except among those whose hearts are right and who desire to please the Lord at any cost. But just here I wish to say that I am the friend of both my friends and foes and my whole life is consecrated to the Lord to do his will at any cost, therefore, it matters not to me what the results of my telling the truth may be. I do this in the sense of a broad minded friend giving warning to those who will be warned and enlightened those who are teachable; therefore, I shall not stop until the strongholds of error are completely demolished and the world be enlightened to the fact that the hope for humanity is restitution through the resurrection of the dead.

THE END.
